

Jefferson Gives Back!

Let us turn your trash in to treasure for those that are in need!

To date, TJUH Information Systems Customer Service Center has collected and donated 3,000+ used cellular devices to [Cellphone For Soldiers](#) .

Each donated used mobile phone allows Cell Phones for Soldiers to fulfill the mission of providing service men and women with the opportunity to communicate with loved ones for free. Your cell phone turns into 60 minutes of calling time for the troops.

Did you know that cell phones contain hazardous materials, such as mercury, cadmium, nickel and gallium arsenide that could contaminate ground water, if discarded in landfills? Jefferson is committed to helping to save the environment and this is just one way you can help to contribute.

Did we mention that your donation is tax deductible? [Click here](#) to print out your form/receipt.

You can drop off your phone at the IS Customer Service Center (1837 Gibbon).
