Kathy Day: did I fall off

Kathy Day: ?

Kathy Day: correct

Everyone

The Meeting, Speaker and Status menus are available to students (participants) by default.

The Microphone and Webcam menus are visible to participants **after** the Host has granted microphone and video privileges.

If participants do not see the Microphone and/or Webcam menu(s), the Host must grant them access. This feature is found in the Host's Microphone and Webcam menus respectively. (See Host Interface)
