

Thomas Jefferson University
FACT-1 year and FACT-2 year Program Prerequisite Worksheet

You need not complete all prerequisites before you apply, but the majority (including 3 of the 5 sciences) should be completed before an admission decision can be made. All prerequisites must be completed before you enter the program. A conferred bachelor's degree is required before the program begins (but may be in progress at the time of application). Bachelor's degree GPA and science GPA of at least 3.0 are strongly recommended but do not guarantee admission.

* If your courses were completed at a quarter-based institution, the quarter-based credits will need to be converted to semester credits. To be sure you have earned enough credits, or if you have questions about your credits, please contact the Admissions Office.

¹ 8 total credits of A&P I and A&P II or 4 credits of Human Anatomy and 4 credits of Human Physiology. Labs must be included.

² 8 total credits of General Chemistry required, need not be courses required for science majors. Biochemistry accepted for Chem II.

³ 4 credits of Microbiology lecture and lab required.

⁴ Acceptable elective courses are theory-based, not performance-based, coursework. For example, we will accept Introduction to Music but not Piano, and we will accept Introduction to Art but not painting. We will **not** accept coursework that is remedial or review in nature, Physical Education or Technical courses. Coursework may include Arts, Humanities, Social Science, Foreign Languages, Science, Business, Math, and History.

Course Clarification: All science courses must be completed within 10 years of enrollment at Jefferson. Courses must be completed with a grade of "C" or above to be eligible for transfer. A grade of "C-" or below will not be eligible for transfer.

Technical Standards: In addition to meeting all academic requirements, students must meet all performance requirements for the program. Please visit www.jefferson.edu/admissions-schools/admissions/apply/technical_standards.html for details.

Curriculum: The curriculum plans for the FACT-1 year and FACT-2 year programs can be accessed online: <http://www.jefferson.edu/university/nursing/academic-programs/non-nurses.html>
