

Reporting and Stopping SPAM Text Messages From an AT&T Phone

<p>You may receive an occasional solicitation or SPAM SMS message.</p> <p>If they persist and you would like to block them, follow the 4 steps below.</p>	
<p>Forward your text message to 7726</p>	
<p>You will get a reply back from AT&T requesting that you then reply with the sender's phone number or email address.</p>	
<p>Forward them the sender's phone number or email address</p>	
<p>AT&T wants you then to go into your message and reply with BLOCK</p>
