

At Jefferson Health – Northeast, our mission states, “We Improve Lives.” As partners in fulfilling that mission, each and every donor makes a difference in improving the lives of the patients and communities we serve. Philanthropy enables us to bring the highest level of care and expertise to every medical challenge our patients face – saving lives, improving lives, and enhancing the overall health of our community. Thank you for your dedication to Jefferson Bucks, Frankford, and Torresdale hospitals and the surrounding communities we serve.
