

individual fundraising pages: how it works

raise more money with individual fundraising pages

5 steps to create, customize and share your individual fundraising page

when registering,
toggle 'Individual
Fundraise Page'

click fundraise
page link in
confirmation email

select 3 dots and
'edit'

customize page's
name, photo, goal
and description

share page with
friends and family

*note: if 3 dots don't appear,
login to Run The Day with
the email used when
registering and try again*
