**SIDNEY KIMMEL
CANCER CENTER**
at Jefferson Health - Torresdale

A CASE FOR SUPPORT

Jefferson Torresdale Hospital

In a world where healthcare is ever-changing, one constant our patients can depend on is exceptional care, delivered close to home. It's this commitment that led Jefferson to partner with Aria in 2016. From this historic partnership emerged Jefferson Torresdale Hospital.

Jefferson Torresdale Hospital is now part of the nation's fastest-growing health system comprising 18 hospitals, over 40 outpatient and urgent care locations, and more than 6,000 physicians and practitioners. Patients have access to a continuum of nationally ranked primary and specialty care options, world-renowned physicians and researchers, leading-edge technologies like the JeffConnect telemedicine platform, and much more.

Now, we are thrilled to present this new expansion to Jefferson's NCI-designated Sidney Kimmel Cancer Center (SKCC) at Jefferson Health — Torresdale. This premier facility offers patients next-generation cancer treatments in an environment that inspires hope, promotes healing, and supports recovery.

Jefferson Torresdale Hospital and SKCC are better together because we are growing together, bringing our signature brand of "care with caring" where it matters most—into the communities we serve.

World-Class Care.

SKCC is 1 of only 71 NCI-designated cancer centers out of the 3,000+ cancer centers across the U.S., recognizing our leadership in comprehensive patient care and high-impact research.

Why Torresdale?

Jefferson Torresdale Hospital has been the healthcare destination of choice in the Northeast for more than 40 years. SKCC at Jefferson Health — Torresdale brings high-quality cancer care to this trusted community asset.

Why Now?

Torresdale ranks among Philadelphia's worst neighborhoods for cancer, with a 1.3% higher incidence than the city average. SKCC at Jefferson Health — Torresdale is a vital, life-saving destination for this patient population.

"This cancer center delivers on all fronts, extending SKCC's high-quality care into a community that needs it most."

INTRODUCING THE

Sidney Kimmel Cancer Center

at Jefferson Health - Torresdale

Cancer treatments take time. Individuals can spend upwards of ten hours in a chair for infusion sessions. Understanding this burden, the Sidney Kimmel Cancer Center at Jefferson Health — Torresdale has been designed with a patient-centered approach, providing a comfortable, welcoming, and soothing environment for our patients as well as their caregivers. Amenities include:

- A new dedicated entrance
- Warm and healing colors
- Semi-private bays
- Comfortable seating for patients and loved ones
- Floor-to-ceiling windows to fill the space with natural light

In addition to patient comfort, the center expands patient access to SKCC's robust clinical trial program, ensuring that our patients will receive the most advanced therapies available.

This state-of-the-art space is an anchor for the surrounding community, providing residents with the world-class cancer care they deserve—just minutes from home.

- Andrew Chapman, DO, FACP

Executive Vice President, Oncology Services
Enterprise Director and Chief of Cancer Services, Sidney Kimmel Cancer Center
Professor, Medical Oncology
Co-Director, Jefferson Senior Adult Oncology Center
Department of Medical Oncology
Thomas Jefferson University—Jefferson Health

The Power of Philanthropy

The COVID-19 outbreak has changed the world and challenged Jefferson to rise to new levels. During these uncertain times, we stand united in the face of this pandemic, working tirelessly to preserve the health, safety, and well-being of our patients and their families.

Now, more than ever, philanthropy is vital to bringing our impactful ideas to life. It powers new interventions and promising research. It enables us to deliver best-in-class care in community settings that local residents know and trust. It creates a ripple effect of hope, improving the lives of countless individuals in its wake. With your support, we can achieve all this and more.

On behalf of the entire Jefferson community and all the patients and families who will benefit from your generosity, thank you.
